[Handout to accompany Christmas message, December 26, 2021](#)

**Why is it so important we get the Christmas story right. Because it is a prime example of how the enemy moves us away from the Truth. If we hear and see something often enough, we will believe it is true. Much of what the world knows about Christmas is part truth, part error and facts that are, out of place and order. If the enemy can get you to believe this, or worse to think it is not important, THAN the enemy can get you to believe you can earn your way to heaven. That lie has eternal consequences.**

The attached article is from the book *The Rest Of The Story*, written by Doug Greenwold, from *Preserving Bible Times*. I hope this helps you understand, the TRUE Christmas story.
